

Soil Pile Location Map

Vermont Agency of Transportation (VTrans) - Lamoille Valley Rail Trail (LVRT) | Danville, Vermont

June 13, 2025

- LVRT Centerline (VTrans)
- Existing Railroad Right of Way (VTrans)
- Town Boundary (VCGI)
- Parcel Boundary (VCGI)
- State/Town ROW (VCGI)
- Stream (ANR)
- Waterbody (ANR)

The Contractor shall access the existing soil storage area from US Route 2 and stay on the gravel/dirt drive to access the soil pile. Access to this property is for the removal of the existing soil pile only. No additional disturbance or storage of materials, equipment, etc. that is not directly required for the removal of the existing soil shall be allowed without the property owner's consent.
